Course Information

Aromatherapy

Aromatherapy massage combines the therapeutic properties of essential oils with specific massage techniques to promote health and well being. During this introductory course you will be covering the basic and accessible areas of massage and some of the most used and safest essential oils to use at home. The removal of some clothes will be required, if this poses a problem for the learner, the sessions can be adapted to save any embarrassment.

Target Group	This Introductory Course is for those who would like to learn a new skill for stress relief, relaxation and use in the home.
