Course Information

Indian Head Massage

You will learn about Indian Head Massage. It is an ancient healing system that has been practiced for over 1000 years. It helps to stimulate the circulation of the head, neck and shoulder areas, all areas prone to tension and stress related illness. Regular head massage stimulates the circulation to the hair follicles, which can help to maintain a healthy head of hair. If you work, sit at a computer all day then the course will cover the massage techniques for you to use at home.
