### Family Learning Week

Family Learning Week falls in October and the Colleges will be running various events, which will continue throughout the year.

### Equality and Diversity

We are fully committed to equality of opportunity & welcome enrolments from everyone. The County Council is committed to ensuring equality, recognising and celebrating difference and promoting cohesion and a sense of belonging among diverse communities. We positively encourage all learners with any concerns about specific needs which might affect their learning to discuss their requirements with us in confidence.

### Concessionary Fees

Concessionary fees are available if you are in receipt of a means-tested benefit, evidence of which must be available at enrolment.

### Refunds

A refund of any course fee is only available if the College cancels a class or if you withdraw due to ill health; in this case, a doctor's note is required. If a class is cancelled due to circumstances out of our control, such as adverse weather or tutor illness, then extra classes will be added to the programme. No refund will be available.

### Would you like to suggest a course?

We are always looking for new ideas & fresh courses to run. If you have skills or knowledge to share and would like to teach a course, or if you would like us to offer a course which isn't listed, please contact your nearest College. We welcome your feedback.
